

Task 2 - Habitats

Use the cards on the next page and match each animal and plant to the habitat that it lives. Place each plant and animal in the table below.

Habitat	Plants and animals that live there
desert	camel, scorpion, meerkat, cactus
Rainforest	cocoa tree, blue morpho butterfly, scarlett macaw, jaguar
CORAL REEF	clownfish, starfish, sea urchin, sea grass
savannah (grassland)	giraffe, antelope, lion, baobob tree
tundra/polar	snowy owl, arctic hare, polar bear, arctic poppy
