

Homonym match

Homonyms are words which are spelled in the same way but have different meanings.

- Read the words on the notepad.
- In each box write one word which matches both definitions.

shed
racket
ram
saw
tap
arms

-
- parts of the body
 - weapons

-
- water comes out of it
 - to hit gently

-
- a wood-cutting tool
 - has seen

-
- a kind of bat
 - noise

-
- a male sheep
 - to push one thing very hard into something else

-
- a garden hut
 - to get rid of

- List three other pairs of homonyms, with their meanings.
