Year 3 Spelling Pattern Review

This Year 3 Spelling Review Pack contains 11 different spelling reviews. Each review focuses on a different spelling pattern. Three different challenges are provided, enabling children to practise using and familiarise themselves with words containing that letter pattern. Answer sheets are provided.

Challenge 1:

This challenge presents children with a selection of words which all feature the same spelling pattern. Some of those words are spelt incorrectly. Children to identify the misspelled words and write the correct spelling next to them.

.....

Challenge 2:

Children are asked to unscramble words which feature the spelling pattern. These words will already have featured in sections A or B and children can refer to these for support.

.....

Challenge 3:

Children are asked to read clues and use these to identify a missing word which features a letter pattern. These words will already have featured in sections A or B and children can refer to these for support.
