

Semaphore Flag Angles

Semaphore flags are an alphabet signalling system based on the waving of a pair of hand-held flags in a particular pattern, creating angles with your arms! Look carefully at the flag code and then have a go at **signalling your name**.

Tell someone about the angles you make with your arms using the vocabulary acute, obtuse and reflex.

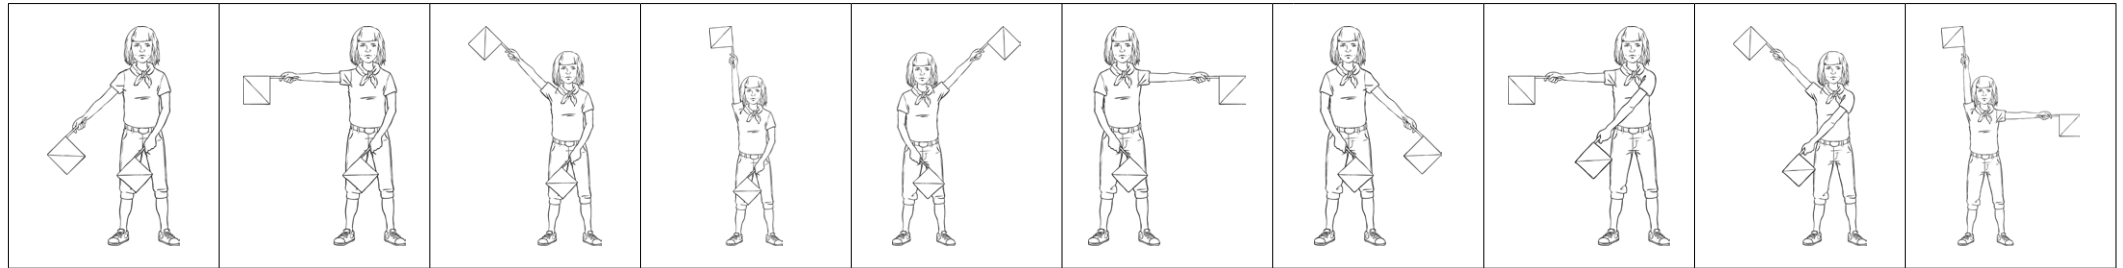

Semaphore Flag Angles

Semaphore flags are an alphabet signalling system based on the waving of a pair of hand-held flags in a particular pattern, creating angles with your arms! Look carefully at the flag code and then have a go at **signalling your name**.

Estimate the size of the angles made by your arms.
