

**How will we support your child when they are leaving this school?
Or moving on to another class?**

We recognise that transitions can be difficult for a child with SEND and take steps to ensure that any transition is as smooth as possible.

If your child is moving to another school:

- We will contact the school SENCO and ensure he/she knows about any special arrangements or support that need to be made for your child.
- We will make sure that all records about your child are passed on as soon as possible.

When moving classes in school:

- Information will be passed on to the new class teacher; a planning meeting will take place and all IEPs will be shared with the new teacher.
- If your child would be helped by a book to support them understand moving on, then it will be made for them.

In Year 6: The Y7 transition members of staff from the local secondary schools liaise with the Y6 teacher and if necessary a teaching assistant from school can accompany children on their visits.
