Dear Parents,

**Annual Kellogg's Breakfast Club Awards.**

How does trying to win £1000 for your child-children's Breakfast Club sound?

As some of you are aware Lutton's Breakfast Club opened its doors in January 2015 and it continues to go from strength to strength. Not only does it provide pre-school care in a safe environment but it also feeds the body and brain with fuel which in return helps and allows the children to socialise, learn and grow,

Some of you may have heard on Heart FM radio station, that they are supporting the annual Kellogg's Breakfast Club awards, to celebrate the dedication and hard work that goes into running a successful school Breakfast Club.

This year, anyone can nominate their school's breakfast club, to have the chance to win £1000. Simply visit [www.win.heart.co.uk/kelloggs](http://www.win.heart.co.uk/kelloggs) by 23.59 on Sunday 17th September to nominate.

I would be grateful for your help on this matter- can you imagine the children's faces if they won and then spending the £1000 on resources for Breakfast Club!

Thank you for your support

Yours sincerely,

Mrs N Mascal

Breakfast Club Lead at Lutton St Nicholas Primary School
