

December Newsletter

Happy Holidays.

What a First Term!

It's been a busy, yet extremely rewarding first term for me at the Federation. Without a doubt, seeing your children work so hard in the classrooms with enthusiasm and determination is one of my many highlights. They really are a credit to the schools and I am so proud of them.

As ever, we are continually assessing what we need to do to improve, so that each child gets the best learning experiences possible. We want to equip them with the 'tools' to learn.

We will be 'kick starting' new topics in the Spring Term and the teachers have spent a considerable amount of time planning around what we believe will interest the children.

Finally, I would like to wish you all a 'Merry Christmas' and a 'Happy New Year'.

Thank you,
Mr. S Pearson

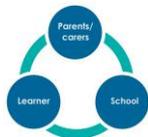

*Helping each other to
achieve and soar.*

Merry Christmas and a Happy New Year!

From all the staff at Lutton St Nicholas and Gedney Church End Primary Schools, we wish you a 'Merry Christmas' and all the very best for the new year.

Maths Workshops.

We were all so pleased to see so many of our parents turn up for our 'Maths Workshops'. We hope that you found the sessions helpful and informative.

We will be holding further workshops throughout the year to support you at home with your child's learning...watch this space.

Class Attendance (since September)

Gedney Church End:

Woodpeckers 95%

Eagles 95%

Jaguars 95%

Whole School 95% (Target 97%)

Lutton St Nicholas:

Wolves 93%

Penguins 95%

Hummingbirds 96%

Bees 97%

Whole School 95% (Target 97%)

New Projects...active playtimes.

We have exciting new projects on the cards at both schools in the not too distant future. Gedney Church End will see new 'Maxi-Fitness' playground equipment, which aims to keep the children active during their break times. Equally, we are having a new trim-trail fitted at Lutton St Nicholas to replace the old, rotting, unsafe equipment we currently have.

A Sad Farewell.

At the end of this term we say a sad farewell to Vicky Szwarc at Gedney Church End. She has been with the school for twenty years and in that time she has seen many children come and go - some who are now parents of children that attend the school!

She has always given her absolute best for the school and works so hard to support the children.

I know there are many of you who share our best wishes and we all hope she enjoys a happy and fulfilling retirement.

Are You Smarter Than a Year 6?

Here's our monthly Yr6 maths challenges...enjoy!

- I am thinking of a new number. 75% of my number is 150. What is my number?
- Can you use five of the digits 1 to 9 to make this number sentence true?

$$?? \cdot ? + ? \cdot ? = 31 \cdot 7$$

- Which is the odd one out?
2/5, 0.4, 4/10, 3/6, 6/15 (be careful!)
