

End of Year Newsletter

School's Out For Summer.

Dear Parents and Carers,

Where has the year gone?!

It only seems like yesterday that I was stepping through the doors of both schools for the first time. It's been a very busy year and the highlight for me is seeing just how hard your children work and all their brilliant personalities.

It's been a real pleasure working alongside parents, carers and my staff and my hope is that we continue to improve the schools even more in the years to come. There is still lots to do to ensure that the children of The Federation have the best opportunities to 'Achieve and Soar'.

I wish you all a great summer and I'm looking forward to seeing your children back in September raring to learn.

Thank you,
Mr. S Pearson

*Helping each other to
achieve and soar.*

A Big Attendance Push.

School Matters!

Whilst reading through all children's reports across The Federation, I am concerned with the number of children who have attendance figures of below 90%. It's clear that the more a child attends school, the more likely it is they will progress at a better rate. I've attached an information leaflet that explains some of the effects this can have.

Next year, our Education Care Officers will be monitoring class registers closely and working with parents to ensure that poor attendance is addressed.

Your Child's Class Teacher.

Just to remind parents and carers that notification your child's class teacher for next year will be in with their reports – out on the 15th July.

A Sad Farewell.

We say a sad farewell to two members of staff who are leaving us at the end of the school year.

Both Mr Bland and Mrs White have been teaching in The Federation for several years and have seen many of your own children come and go.

We would all like to wish them well in their new ventures and, of course, all the very best for the future.

Dates for your diary:

- Reports out Monday 15th July
- Leavers' assembly 18th July – Gedney PM at the Church
- Leavers' assembly 19th July – Lutton PM in the school hall
- End of term Friday 19th July
- All other notifications will be made via the school app.
- Wednesday 4th September - children back at school.

Our Bouncy Fun Day.

Again, the Federation Bouncy Fun day was a huge success. Everybody enjoyed themselves as they moved from inflatable to inflatable. There were smiling faces as the children slid down the giant Flintstone's slide, looks of determination as they tried to reach the end on the bungee inflatable and sheer grit as they tried to knock one another off the jousting pods. Following the fun and exhausting time bouncing the children enjoyed drinks, doughnuts, biscuits and other treats provided. A big thank you to FOLS for organising and funding this event.

Our Sandringham Trip.

Children in KS1 And EYFS had a wonderful time at the Sandrinham estate. They were able to explore the surrounding woods and play in the adventure park. Once that was over the children walked around the main house and the surrounding gardens. Unfortunately, they didn't get to meet The Queen, but we were told that she was very dissapointed that she didn't get to greet our children. The weather was 'spot on' and we couldn't have asked for a better trip to finish the summer term.

Year 5 Adventure.

The Year 5 children from both schools had a fantastic time at the Fun Farm High Ropes. Children enjoyed risk taking on the apparatus and we were amazed at just how brave some of our children are. After lunch of nuggets, burgers, fish fingers and chips (healthy we know), the children then zapped each other inside the lazer quest room. Strangely the adults seemed to be picked out as targets from our school of snipers.
