Julia Donaldson

Book Review

What happens in the story?

This story is about a mouse who is hungry. He goes on an adventure to find some nuts. While he is on the adventure, he sees a tree full of nuts! He was on the way to the tree before he stopped beside a rock. Then he saw a fox. Mouse told him everything about the gruffalo and fox ran away. Then he met a snake and did the same thing. After snake he met an owl and told him everything he told snake and fox. Then without noticing he found a real gruffalo! After he showed the gruffalo that everyone was afraid of him he got his nuts that he wanted.

Who are some of the characters?

Mouse

Mouse is my personal favorite character because he goes on an adventure and gets what he wanted at the end.

Gruffalo

The gruffalo is my second favorite character because mouse just made him up when he didn't know that there was actually one living amongst him.
