

Dog Man and Cat Kid

By Dav Pilkey

Book Review

What happens in the story?

Dog Man and Cat Kid are an animal crime fighting duo who go on adventures to try and save the world.

The main plot of the story is the evil Petey creates a monster with living spray, a spray that makes anything come to life.

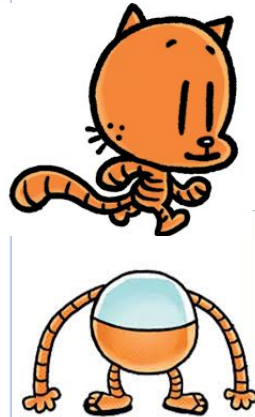

Dog Man and Cat Kid try and save the world with help from their friend 80HD by following the trail of destruction the monster leaves behind.

“A new breed of justice - one that is part dog, part man, and ALL HERO!”

Who are some of the characters?

Dog Man is an amazing dog. He has a really cool superhero costume and uses bones as weapons to catch the baddies. He works with his friends Cat Kid and 80HD, a robot, to fight crime and catch baddies.

Petey is the main baddie and Dog Man's enemy. This is strange as Petey's son Lil Petey is Dog Man's superhero sidekick, Cat Kid. In this book Petey makes a monster which tries to destroy the world and Dog Man and his pals have to come to the rescue!

Why do you like this book?

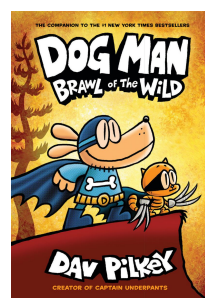

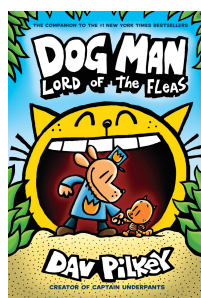

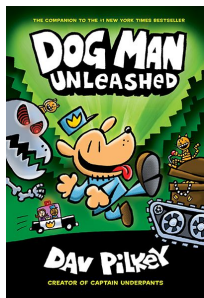

The Dog Man books are the first books I have really enjoyed and this one is my favourite one. They are very funny books, have lots of good characters, and I really like the way they are written in a cartoon style.

One bit I particularly liked was when 80HD who had been almost defeated by the monster charges back up and slices the monster in half, killing the monster and saving the world.

Who would you recommend this book for.

I would recommend this book to Year 4 to 6 children. It's quite easy to read and and it is really funny. It was the book that got me enjoying reading so if there are children who do not like reading they should try these. I have lent my Dog Man books to my friends and they all enjoy them. Even though I know the story I like to read them again every so often and cannot wait for the next book to come out.
