Making sea turtles

I put out a turtle for you
about sea turtles, then
you **NEED** to read this
XOXO!

What do turtles look
like? Well some are
so **ADORABLE** that you
will cry **BOO BOO DAYGERS**...
you probably think that
all turtles are green but
some are **EVERYBACK**
TURTLES! They can live
for up to one hundred
years so they will be
bumpy and wrinkly
from swimming from
place to place.

Where do they live?
Cute sea turtles live
in tropical **AKA** hot places.
They do **NOT** live in
the Arctic. Did you
know...? Turtles have
been around for 100
MILLION years

That's a long time!

Where do they lay their
eggs?

Beautiful turtles lay
their fresh eggs
in the sand. They
lay their fresh eggs
at night because they
use predators will
GET THEM!... they lay
their fresh eggs in
warmth also, so sea gulls
can't get them. I hope
you didn't like my
non-chronologicall
report. I hope you loved
my beautiful pop-chronologicall
report! I hope
you loved it! Mwmm!
