sea turtles swim fast
everywhere and
sea turtles swim

in the ocean
great turtles eat
jellyfish

sharks and other animals
they feed on them
and they are very fast

and they are
very fast

many people love
to see them in the
ocean and they are

very beautiful
and they are very
fast and they are

very fast and they
are very beautiful
and they are very

fast and they are
very beautiful and
they are very fast

and they are very
fast and they are
very beautiful
