

20.1.23 Sea turtles

Sea turtles beaches.  
They have very smooth backs.  
They are very noisy.

What do they look like?

Sea turtles have bouncy  
pipers so they can swim  
very far. People have a  
mindful but not a lot of people  
now that they have health  
heat or cold diets.

What do they eat?

They eat seaweed and kelp sea  
grass. sea grass is very  
refreshing that is why they  
live it.

Sea turtles shell.

Some turtles can have brown  
spots but some can have green  
and blue shells.

Where do they live?

in the warm so they can  
be warm could or hot that's good

Sea turtles life.

They live their lives alone  
of people or sure that they  
like their lips because  
very nice refresh with.  
if you can see turtles you  
would know they love their life.
